

DEAR PARENT OR GUARDIAN,

Thank you for choosing Camp Selah for your child! We appreciate your confidence in our staff and program. We recognize the privilege and responsibility of serving you. Our counselors are carefully selected. We hire dedicated Christian young people with a sincere desire to share Christ's love with others. Most of our staff are recruited from Christian colleges and are personally interviewed by the director and receive training in counseling, evangelism, water safety, etc.

All waterfront activities are conducted under the supervision of a qualified Red Cross lifeguard. A certified health officer is on site at all times during camp operation and a camp doctor is nearby in case of any serious emergency or illness. All activities are designed with your child's emotional and physical well-being in mind. Every effort is made to assure that your child has a fun and safe experience at Camp Selah!
